

NEW AGE

# Embrace the detours

## A NEW AGE IN CARAVANS HAS ARRIVED

**N**ew Age Caravans has been leading the way in caravan design, innovation and style since 2004. Our reputation for high-quality craftsmanship, classic flair and contemporary interiors and exteriors underpin our enviable reputation as a market leader within Australia's caravan manufacturing industry.

Ideal for travelers from all walks of life, a New Age caravan guarantees to see you hit the open road with comfort, style and confidence. The award-winning trend-setting continues as we invest heavily in Research and Development to expand the comprehensive product range.

New Age Caravans award-winning designs have mastered contemporary aesthetics, ergonomic designs with a robust construction quality to claim the industry lead in modern adventure travel.

**Disclaimer:** Whilst every effort has been taken to ensure the accuracy of text, images, layouts and specifications used in this catalogue, it cannot be guaranteed. All content is subject to change without notice in respect of regulations, compliance measures and/or upgrades that New Age Caravans or its suppliers may issue. All standard specifications for the ranges may not be displayed. The purpose of this catalogue is illustrative and it contains pictures that may depict and/or include some elements which do not belong to the standard equipment for a particular model. The pictures may also portray products which belong to different markets or past models. Please contact your nearest dealership to obtain more detailed information before purchasing. Contact details can be found at [www.newagecaravans.com.au](http://www.newagecaravans.com.au).

# The New Age difference

## A NEW AGE OF LIVING IS HERE

It all starts with our commitment to unique design and innovation. Our manufacturing techniques flawlessly combine durability with unrivaled design features to herald a new era of caravanning excellence.

Luxury, comfort and reliability characterise every model we produce, renowned for practicality, style and longevity. When choosing a New Age Caravan, you're spoilt for choice with a vast array of models, layouts and interior options that have been developed based on providing the highest level of comfort, convenience and security.

As we are proudly owned by Walkinshaw, our comprehensive range from compact campers through to large family vans have been developed to incorporate on-going customer feedback, ensuring that we deliver caravans to satisfy customers' needs and keep us at the forefront of the leisure industry.

With a 3 year hitch to bumper warranty for peace of mind, the future of New Age Caravans is looking bright.

# New Age Assist

## PEACE OF MIND CARAVANNING

Purchasing a New Age Caravan means more than buying a caravan, you're also purchasing a lifetime of New Age lifestyle and support.

In the unlikely event that you should experience an issue with your caravan whilst on holidays, rest assured our roadside assistance and technical support hotline are here to help you through those unplanned situations.

New Age Assist offers roadside assistance and technical advice Australia wide. Services include: General assistance, flat tyre, lockouts/lost keys, emergency towing and mechanical breakdown. New Age Assist technical advice is available to New Zealand customers also.

Our extensive support network also offers our customers all year-round service with a National Dealer Network encompassing more than 100 accredited repairers across Australia. For peace of mind caravanning, you can rely on New Age Caravans to provide you with back up and support for a stress free trip.

# The Gecko Range

GREAT THINGS COME IN SMALL PACKAGES

One of our most popular caravans, the Gecko Range is lightweight and compact in design. It includes all the luxuries you would expect from a family sized caravan, with a fully equipped kitchenette and spacious dining area. Gecko models range in size from the easy to store 11ft to the more spacious 19ft.

New to our Gecko family is our pop top models. These models feature a pop top roof which makes them easy to store and park, giving you more space to relax and unwind.
