A NEW AGE IN CARAVANS HAS ARRIVED

New Age Caravans has been leading the way in caravan design, innovation and style since 2004. Our reputation for high-quality craftsmanship, classic flair and contemporary interiors and exteriors underpin our enviable reputation as a market leader within Australia's caravan manufacturing industry.

Ideal for travelers from all walks of life, a New Age caravan guarantees to see you hit the open road with comfort, style and confidence. The award-winning trend-setting continues as we invest heavily in Research and Development to expand the comprehensive product range.

New Age Caravans award-winning designs have mastered contemporary aesthetics, ergonomic designs with a robust construction quality to claim the industry lead in modern adventure travel.

The New Age difference

A NEW AGE OF LIVING IS HERE

It all starts with our commitment to unique design and innovation. Our manufacturing techniques flawlessly combine durability with unrivaled design features to herald a new era of caravanning excellence.

Luxury, comfort and reliability characterise every model we produce, renowned for practicality, style and longevity. When choosing a New Age Caravan, you're spoilt for choice with a vast array of models, layouts and interior options that have been developed based on providing the highest level of comfort, convenience and security.

As we are proudly owned by Walkinshaw, our comprehensive range from compact campers through to large family vans have been developed to incorporate on-going customer feedback, ensuring that we deliver caravans to satisfy customers' needs and keep us at the forefront of the leisure industry.

With a 3 year hitch to bumper warranty for peace of mind, the future of New Age Caravans is looking bright.

New Age Assist

PEACE OF MIND CARAVANNING

Purchasing a New Age Caravan means more than buying a caravan, you're also purchasing a lifetime of New Age lifestyle and support.

In the unlikely event that you should experience an issue with your caravan whilst on holidays, rest assured our roadside assistance and technical support hotline are here to help you through those unplanned situations.

New Age Assist offers roadside assistance and technical advice Australia wide. Services include: General assistance, flat tyre, lockouts/lost keys, emergency towing and mechanical breakdown. New Age Assist technical advice is available to New Zealand customers also.

Our extensive support network also offers our customers all year-round service with a National Dealer Network encompassing more than 100 accredited repairers across Australia. For peace of mind caravanning, you can rely on New Age Caravans to provide you with back up and support for a stress free trip.
