

MY22 ROAD OWL

CARAVAN & POP TOP RANGE

The new range that makes choosing a Road Owl an even wiser decision.

At New Age Caravans we designed the Road Owl so Australians could travel in comfort and style for an incredibly affordable price. And our new MY22 Road Owl range takes that comfort, style and value even further.

cabinetry and partitions. In the dining area you'll find redesigned seats with more cushion depth and lumbar support than ever before. And in the kitchen area, you'll discover a stylish new microwave surround (caravan models only) that's been designed to keep your microwave safe and secure even when travelling over bumpy roads.

But it doesn't stop there. The new interior also features handy reading lights with built-in USB ports for your electronic devices plus a host of other creature comforts.

Every caravan and pop top in the new Road Owl range has been redesigned to reflect our latest and greatest signature look. Aluminium composite smooth rear wall panelling, a unique rear mould with recessed spare wheel housing, a restyled front-end and striking new graphics all combine to deliver a whole new level of streamlined sophistication. The exterior design also boasts thoughtful touches like an easily accessible dedicated water pump cradle with independent isolation valves.

Ideal for couples or a family, the new Road Owl range has layouts to suit your needs, plus you have the option to take your Road Owl caravan or pop top to yet another level by selecting either the new Comfort pack or new Adventurer pack. The packs have been redesigned to suit all the Road Owl models and offer a more comprehensive list of features than ever before.

Step inside one of our new Road Owl caravans or pop tops and you'll notice a stylish Holland blind on the main door and upgraded edge banding on all the
