

muk mat is a portable, synthetic grass mat designed to get the muk off your feet and shoes. Perfect for outside your tent/caravan, before getting into your car after the beach, surf, run/walk, kids sport, as door mat or pet mat. Basically – whenever you need clean feet.

Now your customers can enjoy the great outdoors and bring home the memories... not the muk!

muk mat comes in 4 sizes and a variety of trim colours:

- ORIGINAL: 50 x 65cm (Grey, Black, Blue, Brown trim).
- LARGE 60 x 90cm (Grey, Black, Brown trim)
- XL: 60 x 120cm (Grey, Black, brown trim).
- STEP (caravan) 58 x 26 cm (Grey, Black, Brown trim)

muk mats are proudly Australian Made and we thank you for supporting local business - as will your customers.
