AFFORDABLE CAMPING MATS

RECYCLED POLY MATS

Designed for comfort and performance.

Our range of outdoor leisure mats are ideal for camping or as annexe flooring for under the awning of your RV, motorhome, camper trailer, hybrid trailer or even tent.

The mats are lightweight, strong, and durable as well as easy to clean with a broom or hose. Non-slip whether it's wet or dry as well as grass and sand friendly meaning it won't kill the grass below when set up for a couple of days. Our mats are UV resistant reducing the risk of designs fading. Our mats are made from reused unwanted materials and repurposed into the products you see here today.

The Recycled Poly Mats offer superior strength, comfort and performance. All of our mats are finished off with strong eyelets for pegging down to allow you to set up camp safely. The high quality of the mats is backed by a 3-year warranty.

With a large variety of designs, prints and colours to choose from you will find the perfect mat for your setup.
