TAKING CARE OF THE LITTLE THINGS

Practical solutions that effortlessly boost both functionality and comfort, providing that extra touch of assistance to effectively address specific and niche needs.

The Fresh-Up-Set

Maintain a fresh appearance and optimal performance of your Thetford toilet with the Thetford Toilet Fresh-Up Set. This convenient set features replacement parts for two essential components of your existing RV toilet system:

- A new waste-holding tank
- New seat and cover

Available for, Thetford Cassette Toilets C2/C3/C4*, C200, C220, C400*, ceramic and plastic bowl C250/C260.

*For left and right models.

Hold Down Kit

The Thetford Hold Down Kit is designed to securely fasten and stabilise your RV toilet to the floor. It ensures that the toilet remains in place during travel or movement, preventing any unwanted shifting or loosening. This kit is an essential accessory that helps maintain the stability and reliability of your RV's toilet system.

The Hold-Down Kit is compatible with Porta Potti models 145, 345 and 335 (9292211). The floor plate (9241507) is recommended for securing your Porta Potti 565.

Toilet Thetford Porta Potti Bags

Designed for easy transport and storage, the Porta Potti Carry Bag makes it easy to move your Porta Potti on the go.

- Maximum carrying weight of 30kg
- Easy Cleaning, without shrinkage (washable max 40 degrees)
- Easy and convenient carrying

EMBARK ON LIFE'S ADVENTURES WITH THE PORTABLE SOLUTIONS.

TOILET & BATHROOM CARE

Thetford toilet care products minimize the chances of damage, early deterioration, and other issues related to motorhome lavatories. These products are conveniently accessible at renowned caravan and motorhome dealerships, along with specialised camping stores. With a wide selection of cleaning and care items, we guarantee optimal bathroom hygiene and comfort.

CARE FOR YOUR WASTETANK

Formulated to efficiently clean and prolong the lifespan of your Thetford Toilet. Thetford Additives offer exceptional odour control, waste liquefaction, and a reduction of gas accumulation. Our toilet fluids and maintenance items are certified in accordance with Australian standards in terms of quality management and are thoroughly tested in Thetford laboratories before going to market.

The Aqua Kem Collection is available in sachets or concentrate liquids. Aqua Kem Blue offers three scents in concentrate form, while, Aqua Kem Green offers an eco-conscious alternative that can be used in septic tanks. Aqua Kem Green is recommended when using a septic tank to maintain the health of the tank.

Aqua Kem Blue Concentrated - 780ml

- ✓ Outstanding odour control
- ✓ Liquefies waste for easier tank emptying
- ✓ Convenient small bottle, less weight
- ✓ Pine scent

AquaKemBlueConcentratedLavender - 780ml

- ✓ Outstanding odour control
- ✓ Liquefies waste for easier tank emptying
- ✓ Reduction of gas build up
- ✓ Lavender scent

Aqua Kem Blue Concentrated Eucalyptus - 780ml

- ✓ Outstanding odour control
- ✓ Liquefies waste for easier tank emptying
- ✓ Convenient small bottle, less weight
- ✓ Eucalyptus scent

Aqua Kem Blue Sachets - 15pk

- ✓ Outstanding odour control
- ✓ Liquefies waste for easier tank emptying
- ✓ Convenient small bottle, less weight
- ✓ Pine scent

Aqua Kem Green Sachets - 12pk

- ✓ Outstanding odour control
- ✓ Liquefies waste for easier tank emptying
- ✓ Reduction of gas build up
- ✓ Lemon/Lime scent

AquaKemGreenConcentrated-750ml

- ✓ Outstanding odour control
- ✓ Liquefies waste for easier tank emptying
- ✓ Convenient small bottle, less weight
- ✓ Lemon/Lime scent

CARE FOR ALL COMPONENTS

It's the small things that matter when maintaining your Thetford Toilet. Additives that care for your flush water, greywater, and toilet bowl are necessary for the overall toilet experience when you're traveling on the road.

FOR THE TOILET BOWL

Aqua Rinse Spray - 500ml

SEPTIC TANK SAFE

- ✓ Septic tank safe
- ✓ Coats the toilet bowl with a protective layer for a smoother flush
- ✓ Prevents staining
- ✓ Smells fresh after spraying
- ✓ Saves water as fewer flushes are required

Toilet Bowl Cleaner - 750ml

- ✓ Safely removes hard water and soil
- ✓ Deposits from both plastic and ceramic toilet bowls
- ✓ Leaves a protective layer behind
- ✓ Pleasant fresh scent
- ✓ Safe for plastics, ceramics and rubber toilet seals

Aqua Soft Toilet Paper - 6pk

- ✓ Dissolves quickly
- ✓ Prevents clogging
- ✓ Super-soft toilet paper
- ✓ Easier to empty waste-holding tank
- ✓ Prevents malfunctions or damage to waste-holding tank

FOR THE GREYWATERTANK

Duo Tank Cleaner Concentrated - 800ml

- ✓ Removes scale, encrusting, and grease deposits
- ✓ No scrubbing is required
- ✓ Technical parts inside the tank are cleaned as well
- ✓ Prolongs the lifespan of the waste holding tank
- ✓ Prevents malfunctions or damage to the waste-holding tank
- ✓ Convenient small bottle

PERIODICAL USE

Greywater fresh concentrated - 800ml

- ✓ Reduces deposit formation in the grey water tank
- ✓ Outstanding grey water odour control
- ✓ Keeps the grey water fresh and clean for longer
- ✓ Odour free discharging of the grey water tank
- ✓ Convenient small bottle
- ✓ Prevents malfunctions or damage to the waste-holding tank

REGULAR USE

MAINTAINING YOUR THETFORD FOR ADVENTURES THAT NEVER END TOO SOON

FOR DAILY MAINTENANCE

Seal Lubricant - 200ml

- ✓ Protects, lubricates, ensures pliability
- ✓ For periodical care and maintenance
- ✓ Safe for plastics
- ✓ Can also be used on door seals, locks, hinges, awning rails and bicycles
- ✓ Saves water as fewer flushes are required

Bathroom Cleaner - 500ml

- ✓ Powerful cleaning agent for daily maintenance
- ✓ Safe for all plastics surfaces
- ✓ Active foam removes calcium deposits
- ✓ For daily cleaning
- ✓ Effective on lime scale and soap scum

FOR THE FLUSH WATER TANK

Aqua Rinse Concentrated - 700ml

- ✓ Septic Tank Safe (Thetford anaerobic biodegradability test)
- ✓ Safe for both plastic and ceramic toilet bowls
- ✓ Prevents limescale build-up in your flush water tank
- ✓ Keeps your toilet bowl shinier
- ✓ Ensures a more effective and smoother flush

REFRIGERATORS

KEEP COOL ON THE OPEN ROAD

Extensively tested to meet the demands of the Australian and New Zealand traveler, our refrigerator range, offers unparalleled performance and reliability while journeying away from the comforts of home. Adhering to high-quality standards, Thetford compressor and absorption refrigerators have a standard three-year warranty, providing reassurance to fuel your thirst for leisurely escapades.

SUPERIOR QUALITY DESIGN

- First-class cooling performance
- Maximised use of kitchen space
- Compliant with Australian Standards
- Extensive service network Australia-wide
- A Standard 3-year warranty on all products

REFRIGERATOR MODELS

- Compressor (12V) refrigerators
- Absorption (3-way) refrigerators

COMPRESSOR REFRIGERATORS

FEATURES

- Cools down quickly
- Good performance at high ambient temperatures
- Internal ventilation removes the need for vents in the vehicle's outside wall
- Night mode for reduced noise and power consumption
- 12-volt power only (no ULP gas bottle is required)
- Sleek black colour
- Fresh and frozen food compartments
- Split thermostat for food compartmentalization
- Available in four convenient sizes
- Left or right door hinge option

Thetford Compressor Refrigerators are optimised for 12-volt power and equipped with an internal ventilation system that rapidly cools the appliance, helping to maintain high performance in hot conditions. Featuring a power-saving night mode to minimise disruptive noises when it matters. For off-grid functionality, we recommend exploring supplementary power options such as batteries and vehicle solar panels, enabling you to enjoy uninterrupted operation wherever your adventures take you.

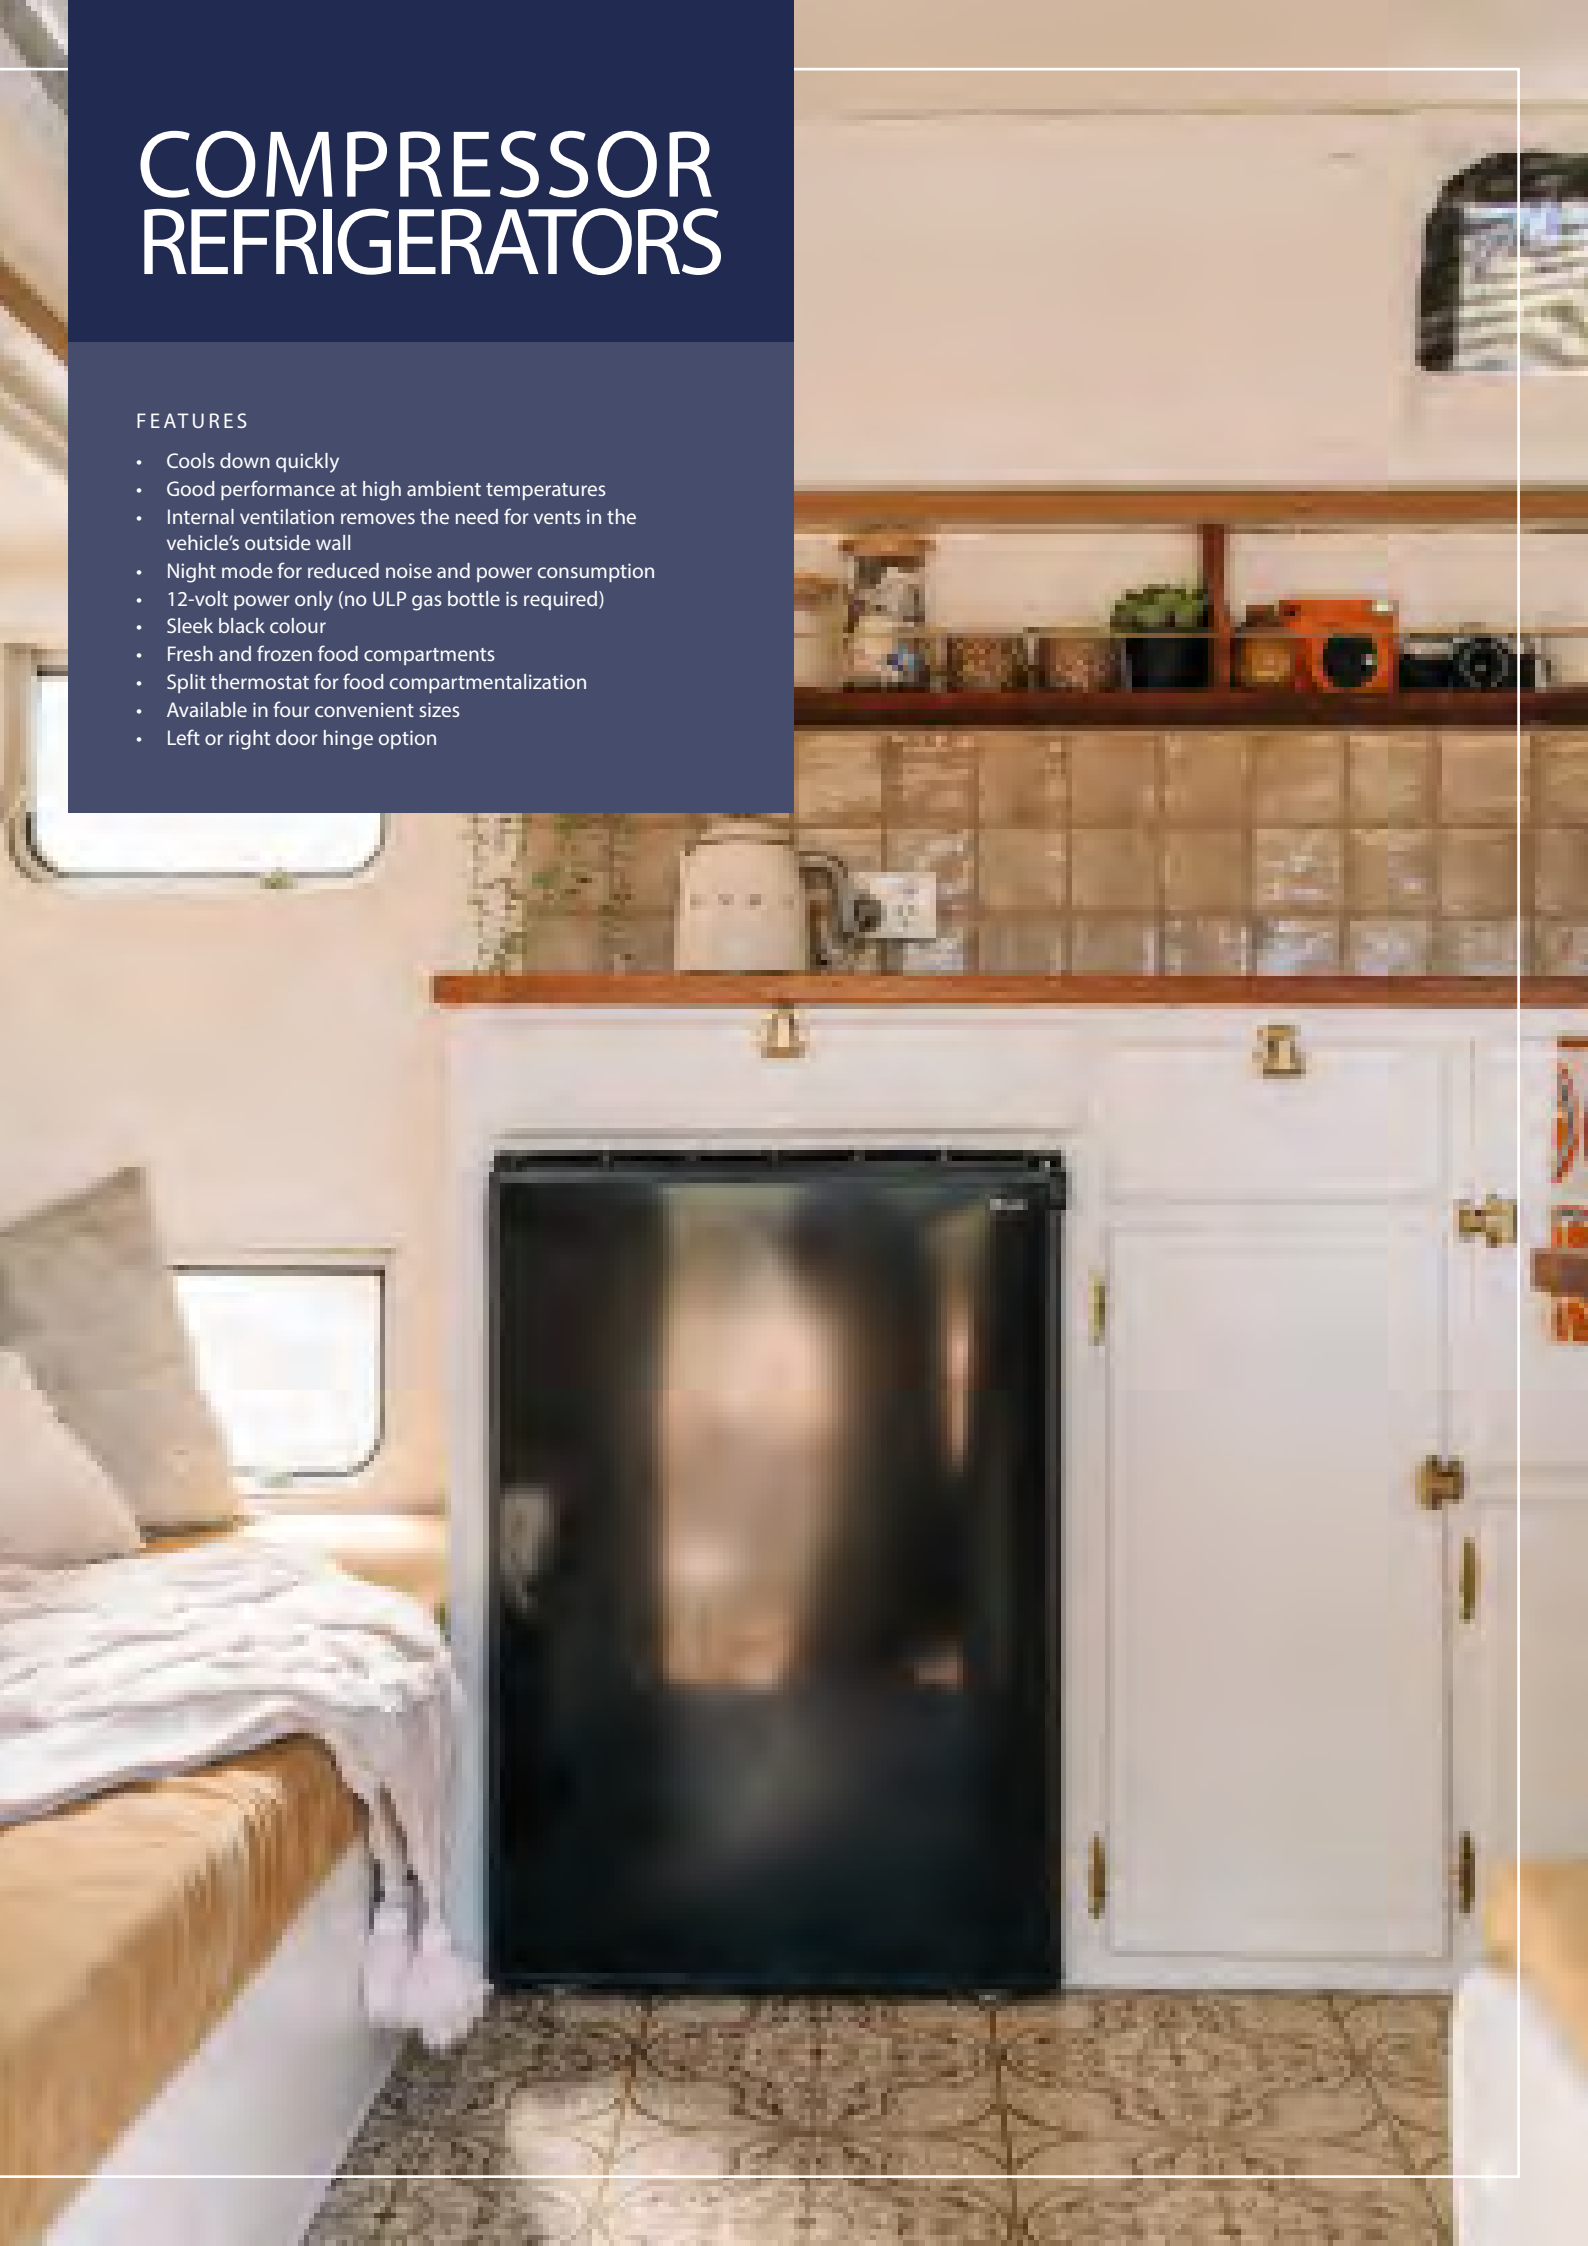

The Thetford-developed Compressor Refrigerator sports an efficient cooling system with an integrated venting system that effectively separates hot and cold air, maximizing overall efficiency and performance. Selected models include a split thermostat that creates the flexibility to independently adjust temperature settings for the fresh and frozen food compartments. All 12-volt refrigerator models feature a Day and Night mode for noise-free operation for quiet performance. The absence of external vents prevents any dust from entering your vehicle.

ABSORPTION REFRIGERATORS

FEATURES

- 3-way power source works on gas, 240-volt, and 12-volt
- Silent operation
- Automatic energy source selection
- External fan to boost cooling performance
- Built in the Netherlands
- 3-year standard warranty
- LCD display
- Sleek black colour
- Certified to Australian standards
- Left or right door hinge option

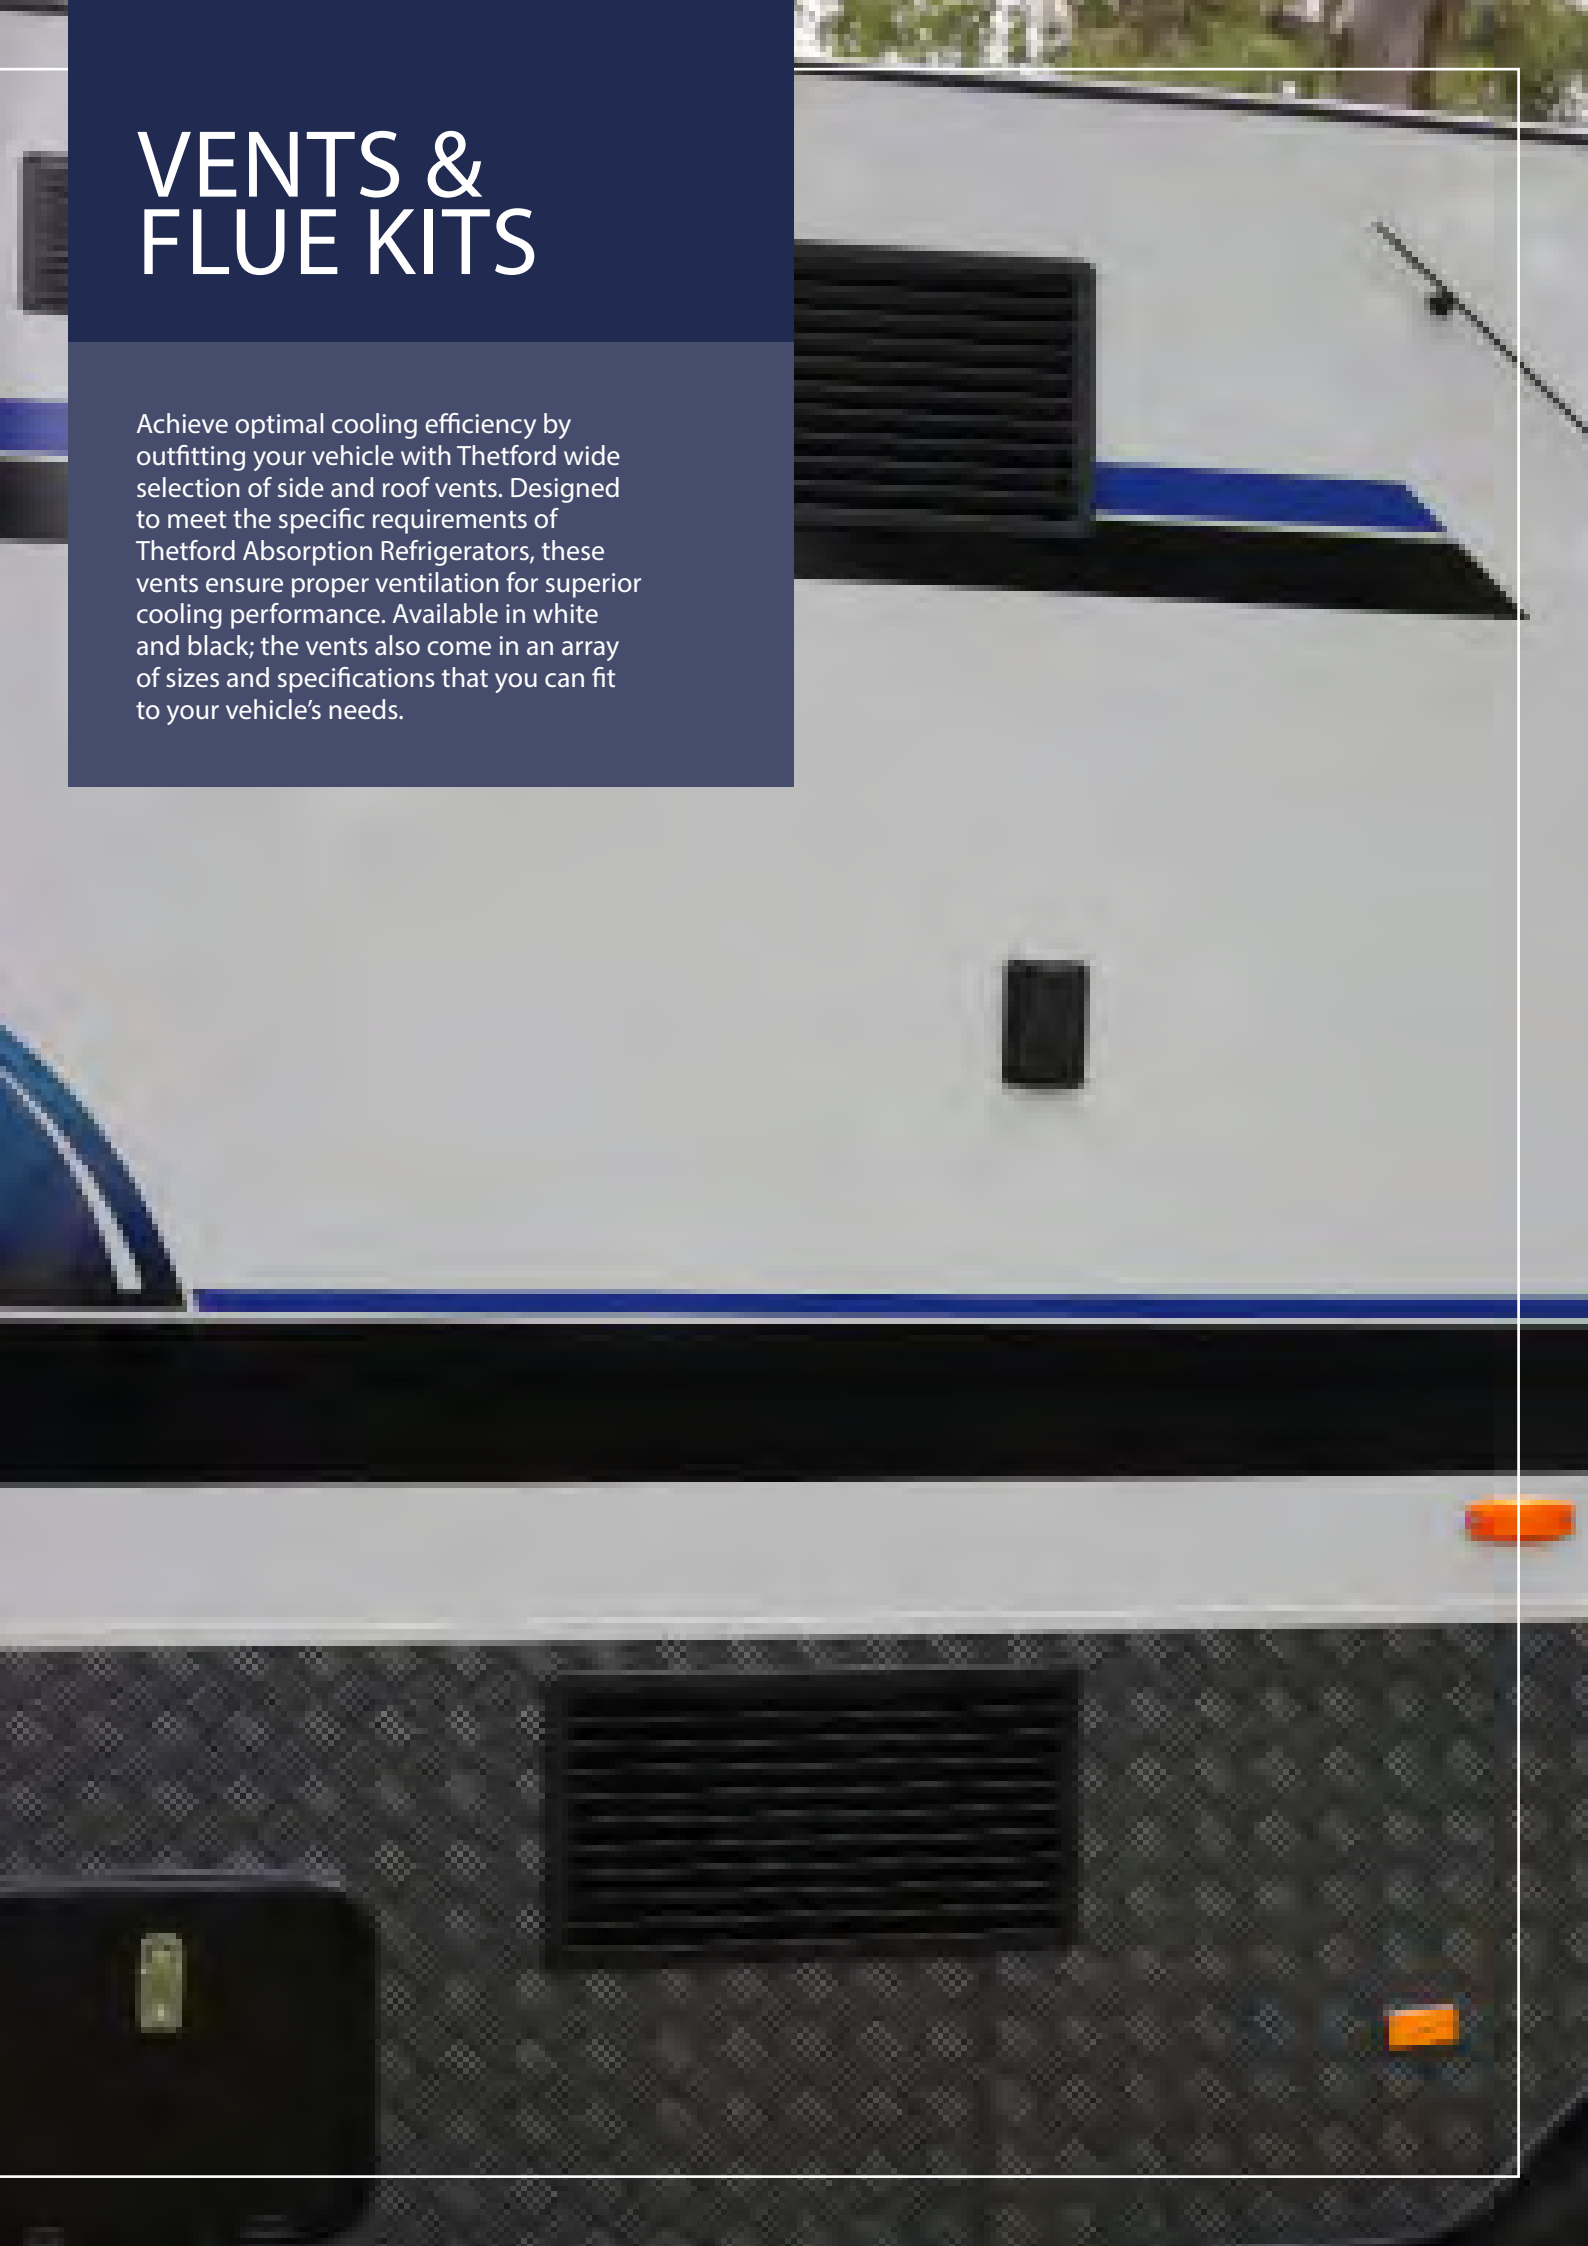

Ideal for extended off-grid adventures, Thetford Absorption Refrigerators utilize a 3-way power source, offering the flexibility to operate on ULP gas, 12 volts (DC), or 240 volts (AC). These refrigerators are specifically designed for RVs, catering to our customers' needs as they explore the highways and byways. Perfectly suited for smaller and compact spaces, the Absorption Fridges excel in providing

an ideal cooling solution. They operate silently, thanks to the absence of moving parts in the cooling unit. Each model comes equipped with automatic energy source selection, which intuitively selects the most optimal available energy source for enhanced efficiency and a consistent supply. Additionally, all fridges are equipped with external fans to further amplify cooling performance.

SERVICEDOOR

CREATING PURPOSE
DRIVEN ENTRY WAYS.

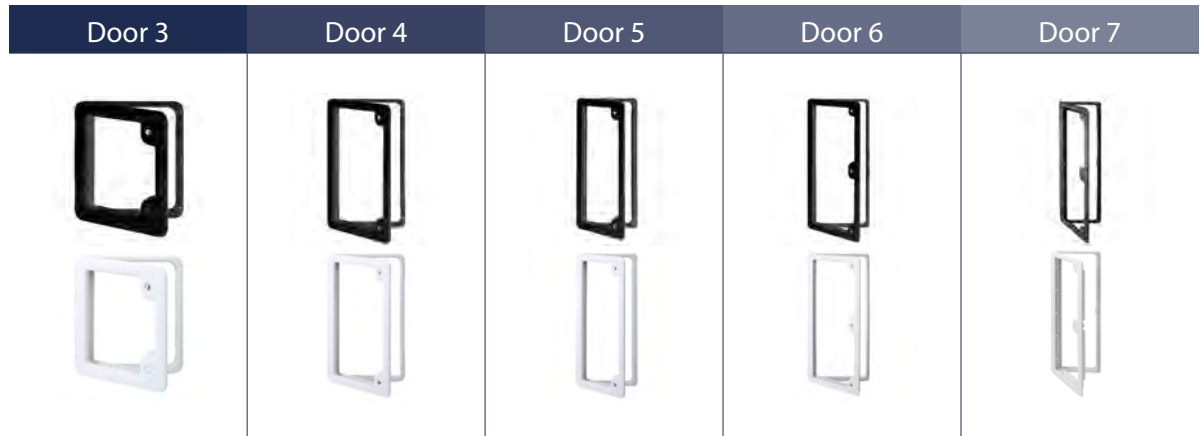

Product - Service Door 6
Photo by @sunshinecoastvanfitouts

Enhance accessibility to designated spaces such as the luggage compartments, gas cylinders, generator, barbecues, or the Cassette Toilet through the installation of a convenient hatch or door. Thetford Service Doors are purpose designed and crafted with utmost durability using top-quality, lightweight plastics. With a double seal for superior insulation against external weather conditions and a secure push-button lock, your door will provide safety and security throughout your travels.

ADVANTAGES

- UV resistant
- Double seal ensures optimum insulation
- For horizontal or vertical installation
- Special push-button locks allow the doors to be closed securely, so they can't spring open unexpectedly
- Easy self-installation
