BOS FEATURES

5 YEAR
WARRANTY

BENEFITS

- Replaces your existing square stabiliser legs
- Powerful enough to lift your van or trailer off the ground to change a flat tyre or insert wheel supports
- Choice of 30° or 90° positions
- Operate easily by hand or cordless drill with drive set thanks to the patented BOS gearbox
- Unique patented BOS PUSH/PULL Handle makes release & positioning easy
- Weight is transferred to the base (NOT onto the pivot bolt)
- High quality components for extended life
 - temperature rated grease withstands extremes of hot and cold
 - steel caged bearings
 - heavy duty, rust proof gears
 - UV stable plastics
- Large base plate can be angled and rotated for maximum stability
- Extensions available for extra height when needed
